

The Warbles

Welcome to The Warbles' world of Sylvie Soprano, Miffy Mezzo, Terry Tenor, Barry Baritone and Priscilla Pianist. Now add props, costumes and heaps of vitality and fun and you have The Warbles!

The Warbles present an exciting, colourful and fabulous children's show. A fabulous introduction to the opera, music theatre and Broadway, The Warbles experience is specifically designed as an educational and entertaining introduction to performing arts engaging the children strongly in opera and musical theatre. The Warbles perform in schools (Teachers Packs are provided for school programs), town halls, theatres, outdoor venues, for Family Days, corporate events and Carols by Candlelight.

The Warbles have been performing exclusively for The Song Room for the past 6 years and **are now available for all schools, festivals and special events.** The performances feature top class singing and combine opera, classical music, neopolitan and Broadway songs and movie hits with acting, dancing, didgeridoo, magic, mime, puppetry, props, costumes, sets, lighting effects and grand piano. Many of the teachers' feedback forms comment that The Warbles shows are the best shows they have ever seen for their students due to the diverse talents of the performers, the content of the shows and the high level of engagement and interaction with the audience.

The Warbles feature some of Australia's leading music theatre and opera performers who have appeared with Opera Australia and other major companies and festivals nationally and internationally. Together these artists also perform for a range of concerts and events worldwide as the well known Australian group, Pot-Pourri.

The Warbles and kids

"It was the best show I have ever seen in 15 years of teaching and the kids have not stopped talking about it. They sing all over the school now!"

- Christ the King
