

Program

This program is entirely dependent on traffic conditions, weather, positioning of the planets, and other cosmic forces outside our control (not to mention the emotional whims of artistic temperaments).

There is every chance that it will include songs from Westside Story, Lakme, Man of La Mancha, Carmen, Cats, Chicago, Turandot, Cabaret, La Traviata, Les Miserables, Phantom of the Opera, and songs by Leonard Cohen, Andrea Bocelli, Josh Groban and lots more!

Pot-Pourri has released seven albums, plus Tania & Jonathan's individual releases. Their latest albums feature wonderful new arrangements and recordings including You Raise Me Up, Nessun Dor ma, The Flower Duet, Hallelujah, The Slaves Chorus, Time to Say Goodbye and other favourites.

***"Music Theatre of the highest calibre... brilliantly crafted...a standing ovation."
